Notes for HENRY FLETCHER:

"My mother told me he lived at Kyles Ford in Hancock County,Tennessee and had two farms,a big one and a little one. Her mother Laura Jane Jackson Robinson was an heir. Ben Fletcher the son of Henry,came and got Grandma to sign the deed for the little one. Grandma couldn't see very well and mother thought Ben might have cheated her. I told my mother several years before she died in 1975 that i would go and check that for her,but haven't. I still intend to out of curiosity. I am Frances Howard Hickey,born 21 Jan 1933 of East Bernstadt,Laurel County,Kentucky. Daughter of William Otis and Florence Robinson Howard born 1897 in Jackson County,Kentucky. Florence was the daughter of Claudius and Laura Jane Jackson Robinson born 1873 in Jackson County,Kentucky. Amanda Jane was the daughter of Henry, born about 1812 in Kyles Ford, Hancock County, Tennessee and Celia Bunch Fletcher born about 1812 in Virginia"

Came across a query you had written. I have some info on Celia Bunch and Henry Fletcher and some notes from a Reverend Taylor taken from Roll 8, Hancock County, TN, Misc Records. These papers were sent to me and I would like to find these records and see what else is in them about others in Hancock Co.

My line in this family is through Celia's sister Polly who married George Washington Pridemore. They were my g-g-g-grandparents.

It lists the children of Henry Fletcher and Celia as Dan, John Jesse and Ben who married his first cousin Harriet Pridemore. It also speaks of Ben Fletcher, when he was 80 years old was raided by sheriff Fote Johnson and Old Wallace Mullins as he was calling his hogs to slop one day. From the info I have it seemed that he had a moonshine still and got caught and taken to trial in Sneedville, about 1924. They took the still and the worm as he begged for them not to take and destroy it since it had belonged to his father (Seemed to have been a family tradition).

I also have a list of Celia's siblings and parents and who they married, And even Rec. Taylor's comments that these people were (meaning the Bunch family) pure white blood, it seems, and the older members of the Bunch family were fair skinned until they mixed with the part Indian population of the mountains of Tennessee.

Henry owned two farms when he died, He lived at Kyle's Ford, Hancock County, Tennessee. (Source: Frances Hickey)

Reverend Taylor's Notes: Hancock County, TN, Misc. Records

Benjamin (Ben) Bunch b.ca 1760-70, Several families named Bunch lived in Hawkins County (Hancock was cut from Hawkins) but we don't know for sure if they were related closely or not. Likely they were, to cause Ben to move there from NC and marry a small woman named Mary Dotson, b. ca 1768-70. She lived to be 110 dying seemingly of old age, after Ben died, she lived with her daughter Polly (Bunch) Pridemore, back of Boyd's Gap on

Newman's Ridge, toward Kyle's Ford. They moved to Tennessee when Frankie was a young woman. Aunt Cynthia Collins (grandmother of Grace, Lillian, etc.) remembers making shirts for grandfather Ben and taking food to grandmother Mary after his death. Old Rev. Greenbrier Wallen preached grandmothers Mary's funeral 1869-70, sitting down to preach, from the text: "But Mary hath chosen the better part, which shall not be taken away from her". Luke 10:22. These people were pure white blood, it seems, and the older members of the Bunch families were fair skinned, until they mixed with the part Indian population of the Mountains of TN.

Children of Ben and Mary:

1. Lambert b. 1780-1790 ? stayed in NC.
2. William or Bill b. 1783-1793, stayed in NC.
3. John b. 1785-95, stayed in NC.
4. George b. 1787-9?, stayed in NC.
5. CELIA b. 1795-1815 m. Henry Fletcher of Fox Branch.
6. Hannah b. 1795-1815 m. Jesse Goodman and lived in Blackwater.
7. Rachel b. 1795-1815 m. Bill Goodman, brother to Jesse (Hannah's man) lived on Newman's Ridge.
8. Polly b. 1795-1820 (called Aunt Polly Pridemore) m. Washington "Wash" Pridemore. Lived on Newman's Ridge, big family. (My g-g-g-grandparents).
9. Frankie Bunch b. 1795-1820 m. Symen or Simeon Collins.
10. Sallie b. ? m. Jesse Bunch and moved to Indiana.

HENRY FLETCHER: b. ca 1800 m. to CELIA (BUNCH) #5 above- children of Henry and Celia:

1. Dan b. ca 1830-40
 2. John Jesse b. ca 1830-40 married in Kentucky.
 3. Ben b. 1840-45 d. about 1924 married his first cousin, Harriet Pridemore (who was born 9/27/1859) married in Feb. 1877 or 1878. Had nine children.
- Ben Fletcher- when he was about 80 years old was raided by sheriff Fote Johnson and old Wallace Mullins as he was calling his hogs to slop. The younger men present ran, but poor old Ben couldn't escape but was taden with his still and worm. He plead for the still not to be taken or destroyed, for it was his fathers old still and he didn't want it taken. He was taken to Sneedville to his trial, and old man, around 1924. Remember these people seemed to think perfectly proper to make moonshine. We must not judge them by our more recent standards of morals.

My line goes back thru Pily Bunch and Washington Pridemore. George Washington Pridemore and Lucinda Boling, James Bowlin and Margaret "Peggy" Collins. Where I am stuck and have been for Several years.

I have more info I am mailing to you but wanted to send this for now and let you know I hadn't for got about you.

Sincerely,
Debbie Oxford

"What's In Your Name?"

By Charles Guarino & Albert Seddon

In all ages and in all quarters of the world distinguishing symbols have been adopted by tribes or nations, by families or by chieftains. When true heraldry began in Europe nothing was more remarkable than the suddenness of its development, the duration of its use and the accuracy of its record. Coats of arms and all that went with them covered a period of approximately seven hundred years. One of the very first coats of arms to appear on record was that borne by the name Fletcher. This was because it was granted to a man who was involved with one of the most ancient of trades, that of attaching the feathers to the arrow shaft.

The Fletcher name began as a surname in Somerset at the end of the 1100's and then spread to many parts of England, Scotland and Ireland. The name has a turbulent history and we find Fletchers recorded in historical documents in the most unlikely places. The famous Scottish politician Andrew Fletcher who was born in 1655 is found in Holland creating havoc against measures introduced by the Duke of Lauderdale. Giles Fletcher born in 1548 is mentioned in Russian history books and we also find his name prominent in Denmark.

There were many odd reasons why people were granted coats of arms in ancient times. Some of the stories can be categorized under the heading of legend that in 1568 Henry Fletcher of Cockermonth was granted a coat of arms for having entertained Mary, Queen of Scots on her journey to Carlisle. How he entertained her is not recorded.

The word Fletcher derived from the Old French "flechier" and the feathers used on the arrow shafts were called "fleches." Simple as it might seem the job of making an effective arrow was divided between three tradesmen. One made the head from metal, another made the shaft from selected and attached the feathers.

The coat of arms we have selected from the many granted to the name shows a silver shield on which is a red "saltire" (a diagonal cross usually representative of the cross of Saint Andrew). On the shield are four black circles charged with four silver arrow heads with the points downwards.

(Interested in your name? If you would like to see the history and arms of your name in a future column, write to "What's In Your Name?" care of The Lexington Herald.)

A Marriage Bond was filed for John Fletcher and Delina Ponder in the Clay County, Kentucky Court House on 5 Feb 1896. Peter House was Surety and they were jointly and severally bound to the Commonwealth of Kentucky for the sum of \$100.00. Attest: T.W. White Clerk Clay County Court.

The family oral history says that John Jessee was a rounder, and he left Phebe for greener pastures, and I assume that they were divorced. She later remarried. It is also a family story that John Jessee was in the Lee County, VA jail when he died in 1932, and was buried in a poor cemetery that they had at that time. We have not been able to prove this. He was supposed to be a drifter who moved about quite a bit. This is all that I know about him. (Source: Howard Marcum)

Manchester, Kentucky Nov. 9, 1948

Mrs. GLADYS TURNER
Incline, Kentucky

Referring to the Deed of Conveyance, between the heirs of the late PETER HOUSE, and his
widow, MARTHA H. HOUSE, (Now, MARTHA H. LEWIS) Parties of the first part, and MILAS YORK, of
Hammond, Indiana and CARRIE YORK, his wife, also of Hammond, Indiana parties of the second part.
Will say, that the Deed has just been returned from some of the heirs in the state of Ohio, where it was
sent for their signatures and is now in the office of the County Court Clerk, in Manchester, Kentucky
waiting for the heirs that live in this section of the country to come in and sign it. The money has been
deposited in the bank here to meet the payments of all the heirs as soon as they all sign the Deed in
the presence of a County Court Clerk or a Notary Public and have his Certificate attached thereto. Your
Uncle Bill was here at my place the first of the week and before I got the Deed back from Ohio and said
to write him when I got the Deed back and he would come back down here, so if you folks has not got a
car, you might get in touch with Bill and you and your Husband might come with him or get some one
near you to bring you and him. We went to get all the heirs around here close to sign it so we can send
it to Clyde in Cheyenne, Wyoming for his signature, we would like to get this matter fixed up as soon as
possible so you folks can get your money in your life time, you know the things we don't get in this world
don't do us any good after we leave here. So hoping you folks will be able to get down here and sign
the Deed at an early date, you will find the Clerk on the job any day except Sunday and will be glad to

explain any thing you don't understand.

Sincerely,
J. M. LEWIS

In Kelly Morgan's book Pioneer Families of Clay County Kentucky,there is a picture of Pete and four other people.Under the picture it says:

The Blacksmith Shop was the loafing place in town.Here are four of my friends,right Bus Lyttle,next Delbert Miller who could remove the old shoes and put new ones on in twelve minutes.Holding the bridle is Pete House,resting on the wooden horse is Jim McGee.This wooden horse is used to rasp the hoofs after shoeing.I had a 50 cent box camera in one side of my saddle bags,you can guess what was in the other.While the horse was resting,with saddle bags in my arm,I went to a crystal clear unpolluted

spring in the center of the town square and drank from a gourd.

Pete was going to some kind of lodge meeting in Lexington with a lot of other people, when he fell out of the back of a truck which eventually led to his stroke and death.

Notes for ZEDDIE FLETCHER:

Zeddie was a Baptist and Democrat. Zeddie and Mat had one child his name was Gilbert. Gilbert, weak in body and mind, tried to be agreeable, pleasant and helpful. With mountain courtesy was proud to have me visit with him, because we were kin. He married Tyler Bell's widow and lived in Sneedville a short time. He was not legally a 'Candidate' for marriage. Some clerk in Morristown issued the license and he was married by Justice of the Peace Otis Green, then County Court Clerk of Hancock County, refused them a marriage license because of his mental state. Zeddie and Mat separated. He was insane three times. In one of his spells he married Goldie Jones, described to me as beautiful, but bad. After they separated she married Will Manor. When they were boys, at school, on a 'cat - skinning' bar, he was hanging, when one of Will Testerman's boys, almost grown, grabbed him, others grabbed Testerman and the squeezing and weight tore something loose inside of him. His mother thought that this is what made him not right at times. At other times he was bright. Gilbert lived with Burkett M. Mullins when he died of cancer in the Sneedville Hospital. Dear, GLADYS

I know you will be suprised to get this letter,first i will tell you i am your Aunt Flora Belle, wife of your mother's oldest brother BEV. But MARY was more like a sister to me. We loved each other like sisters. I was so glad to get your address and some how i wanted to write you. I have pictures of you and DUTCH when you were babies. Dutch was up to our house one time with BERTHA when she (DUTCH) first got married. Well we have 7 children from 27 years old down to 6 years old and we have 4 grand children. My oldest daughter LORRAINE is 23 years old but not yet married. She works in the Loan Company office where her dad (your Uncle BEV) works,has worked for 34 years in the Champion Paper and Fiber Company. My two sons work there too. I will send you some more pictures as soon as i hear from you. I believe you would be proud of these 7 cousins and like them if you knew them. Bragging aren't I ? Ha! Ha!.

But i have always wanted to be with MARY's children more and so would all of her relation,but some how things just always don't turn out like we want them to. We went down to Manchester about a month ago just for 3 days. You see i have been out here since i married in 1920, I was 17 years old then. I lived in Manchester 5 years before i married your Uncle BEV. You see my folks died when i was a baby and Mom (your aunt MARTHA and step Grandma is my foster mother,she raised me.). I am going to Corbin,Kentucky to see some of my relation that i have never seen before. I have a sister in Florence,Kentucky and a brother in West Virginia and i love going to see them since we found each other.

BERTHA and BERT was up to our house not long ago. I loved Aunt MARY ELLEN HYDE lots,she was always good to me. Enough about me and mine. I wanted you to come visit us as soon as you can and as soon as we get a house. We are living upstairs over CARL our eldest son, just till spring when the kids school is out. We want to get a farm. I guess you have heard from the folks back home by now about selling your Grandpa's and Mom's place. Well GLADYS its about 20 acres of hills and gullies. No coal, its been sold and no timber to speak of and BEV says no one else will pay as much as this man for it so he thinks they should sell it while the can get a little out of it. All the children want to sell while they can, even tho it isn't worth much it will be worth less. Well i must get to work, i know you are tired of trying to read this so write me when you have time and i would love to have some pictures any you have to spare. So i will close with lots of love.

Your Aunt FLORA BELLE,

MRS. BEVERLY HOUSE
871 Symmes Avenue
Hamilton,Ohio

(OVER)

All 7 of my children are curly haired, 5 brown eyed and 2 blue eyed.
BEV says they get the curly hair from the HOUSE side.

Notes for GEORGE BONFOY HORTON:

Robert,

Following are the full birth-dates for the Horton children. I also want to make a correction on what I sent to you yesterday. I listed Major Price Horton but that rank should have gone to Ira David "Bud". I apologize for this error.

Lillian Blanche Horton, born 06 December 1913

Grayce Lees Horton, born 17 April 1916

Raphael George Horton, born 08 November 1918

Joseph Glenn Horton, born 06 March 1921

Earl William Horton, born 12 September 1923

Ernest P. Horton, born 17 August 1926

Edgar Layton Horton, born 25 October 1927

Price Horton, born 17 September 1930

Ira David "Bud" Horton, born 14 September 1935

I have attached a couple pictures. Some pics may be quite large so let me know if they take too long to download. I will find the originals and rescan them. I will send more after I hear from you. These three are of Daisy; one with George and one with my brother, Eddie.

Sue

The Horton's were a closed mouth bunch. I knew nothing about the Horton's or House's until I began dabbling in the family tree a couple years ago. My Aunt Grayce is still living. She is 88 and quite feeble now. I didn't know that my Granny (Daisy) had brothers and sisters when I was young. Needless to say, the family tree has really blossomed into quite an unexpected large family.

I will double check all the info on the House line to see if I have anything different from yours but it looks about the same. I did note that you have George Horton as dying in Clay County but he actually died in Hamilton Co., OH.

Here is some of the Horton info I have: I also have a few pics of the Horton children and of Daisy... Do you have any of the House line?

I looked in the Polk Dir. and found Edward House living at 345 So Park St. #31.This is an apartment for older people. It was the 1989 directory.

In 1957 Polk directory there was:

In the Natrona Co cemetery books there is listed a Catherine House

Hello,

I have checked for any children born to Myrtle or Dutch HYDE having PHILPOT children from just prior to 1940 up through 1960 and found none in the State of Kentucky.

BIRTH RECORDS:

HYDE, Dutch b. 4-27-1921 in Harlan Co.; Vol. 038, Cert 18801; maiden name of mother: Mary HOUSE

HYDE, Marye b. 1-11-1919 in Harlan Co.; Vol. 4, Cert 1831; maiden name of mother: Mary HOUSE

There are too many Elmer PHILPOTS to know which one he may have been. There is a 1914 born in Knox; a 1913 born in Taylor Co.; a 1915 born in Clay Co.; and a 1914 born in Laurel Co. Eventually there is a Soc. Sec. Index listing for a Elmer PHILPOT b. 6-6-1914; died in Sept 1982 in Knox Co. and I believe I saw one other one died in Orange Co., Indiana.

The 1920 Harlan Co. Fed. Census shows:

Dwelling 39-40

HYDE, Loyd, head, 25, b. KY; parents b. KY - miner

. . Mary, wife, 19, b. KY; parents b. KY

. . Gladis, dau, 11 mo's, b. KY; parents b. KY

Dwelling 40-41 - 1920 Harlan

HYDE, Hugh, head, 47, b. KY; parents b. KY - Coal mine teamster

. . Mary E., wife, 45, b. KY; parents b. KY

. . Bertha, dau, 14, b. KY

. . John, son, 9, KY

. . Carlo, son, 7, KY

There are NO HYDE/HIDE families in Harlan Co. as of the 1910 Fed. Census. I generally think of

HYDE as a Clay Co. name so I will look there next.

1910 Clay Co.

Dwelling 38-39

HYDE, Hugh, head, 38, mar. 1, mar. 20 yrs, b. KY; parents b. KY
. .Mary E., wife, 38, mar. 1, mar. 20 yrs, 6 born; 5 living, b. KY; parents b. KY
. .Lloyd, son, 16, single, KY * *
. .Lilly, dau, 14, KY
. .Bertha, dau, 6
. .John H., son, 9 mo's, KY

1930 Harlan Co., Dist I

Dwelling _____

HYDE, Hugh, 58, mar. at 19, b. KY - coal tippel laborer
. .Mary, 55, mar. at 16, b. KY
. .Carlo, 17, son, KY
. .Gladys, 11, "grandau", b. KY* *
. .Mertle, 9, grandau, b. KY * *

NOTE: Looks like the parents have both disappeared and the grandparents are raising these children.

You may or may not be aware but as of the 1900 backwards, your family is now listed as a "Black" family or a Mulatto family. This could be possible OR. . . it may well be that the family is darker skinned and are actually Native American. Generally speaking, the census enumerator will show them as B or M vs. Native American. In KY, I think ONLY one time have I EVER seen anyone listed as Indian and never as Native American which was not the terminology of the times.

1900 Clay Co.

Dwelling 630-650

HYDE, Hugh, head, B, b. 12-1873, 26, mar. 9 yrs, b. KY; parents b. KY
. .Maryland, wife, B, b. 1-1876, 24, mar. 9 yrs, 4 born; 3 living, b. KY; parents b. KY
. .Lloyd, son, B, b. 10-1893, 6, KY
. .Lulu, dau, B, b. 3-1896, 4, KY
. .Ella, dau, B, b. 10-1899, 7 mo's, b. KY

There are other HYDE families living all together. I think this is probably the father of Hugh:

Dwelling 634-654

HYDE, James, head, B, b. 2-1840, 60, mar. 36 yrs, b. KY; parents b. KY - farmer
. .Mary J., wife, WHITE, b. 3-1845, 55, mar. 36 yrs, 8 born; 8 living, b. TN; parents b. TN
. .Nellis, dau, W, b. 7-1881, 18, KY
. .Rose, dau, b. 7-1886, W, 13, b. KY
. .Frank, son, b. 11-1891, W, 8, b. KY

1870 Clay Co.

Dwelling 118-124

HYDE, James, MM, 37, b. KY; parents b. KY
. .Mary J., MF, 32, wife, b. KY; parents b. KY
. .George, MM, 16, son, KY
. .Lucy, MF, 12, dau, KY
. .Hugh, MM, 10, son, KY * *
. .Robert, MM, 6, son, KY
. .Marha, MF, 4, dau, KY

Per marriage records: Mary J. WARD mar. James HYDE on 12-29-1863 in Clay Co.

I don't see the family as of the 1870. However, going backwards to the 1860, this "could" be James HYDE/HIDE:

Dwelling 73

STUART, Caleb, 56, b. England - Cooper (mar. 1st to Elsy IVEY mar. 4-2-1833 in Clay Co.; file 6 and then married 2nd to a Clarinda HIDE on 7-28-1859 in Clay Co., File 12)

. . Clarinda, 40, b. Clay Co.

. . Elizabeth, 11, b. Clay Co.

. . James, 19, b. Clay Co. - farm laborer * * *

. . Ellender

I have no further information on this Clarinda or her first husband.

Notes for RODNEY HOUSE:

Served in the U.S. Army from 11 Sept 1946 to 20 Aug 1949. Army serial # RA15-227-607, 14 Jun 1949 was reduced in grade to PVT from PFC, Went Fort Knox, Kentucky for Basic Training, while at Fort Knox he trained as a Medium Tank Crewman, qualified as Carbine M-2 Sharpshooter.

After Basic Training was sent to Korea on 29 Nov 1946, attached to the 7th Infantry Division 1947, returned from Korea on 26 Sep 1948. The remaining time in service he was stationed at Fort Lewis, Washington assigned to the 72nd Heavy Tank Battalion, Company B. He received the following decorations: WWII Victory Medal and the WWII Occupational Medal (Korea). (Source: U.S. Army form WD 53 & childhood friend A.J. Jones)

A.J. JONES and my father joined the Army 11 Sept 1946, my father and A.J. JONES lied about their age to get in. My father told the Army that he was born 13 Nov 1928 when actually he was born 13 Nov 1930. A.J. JONES said that WILLIAM and NORA HOUSE signed my father's paperwork to go in, but his parents would not, so he forged their signatures.

The two of them were sent to Fort Knox Army Post in Kentucky for Basic Training. When they got there they were sent to Camp Atterbury in Indiana for 4 or 5 days for inprocessing (paperwork), then they were sent back to Fort Knox, Kentucky to do Basic Training. After Basic Training they were sent home to Pathfork, Kentucky for 30 days leave before they went on their assignments.

After their leave was over they went to Chicago, took a train from Chicago to Camp Stoman, which was located near San Francisco, California. They arrived 3 days ahead of their scheduled reporting time, they had spent all of their money (A.J. said my father spent his and most of A.J.'s). A.J. said they were a little green and should have known better to have reported early for their assignment, but they did any way with no place to go. When they reported the Commander changed their orders, instead of going to Japan to be apart of the Occupation Forces after WWII like they were supposed to, they were sent to Korea. Since Japan had occupied Korea during the war and had to give that land up when the United States defeated them. The United States sent Occupational Forces to Korea also. So they were on their way.

They traveled by ship from San Francisco to Korea, which took several weeks. A.J. JONES said that my father saved his life while on the ship. He had gotten very sick and it was very cold, so my father took care of him and got him to a doctor when one was available.

They landed at Inchon, which is northwest of Seoul, the capital of the Republic of South Korea. They took a train from Inchon, which took 8 hours to a place called Yong Dong Po. A.J. JONE said it was very cold and they didn't have much to keep them warm except a fire which they started in a barrel on the train. My father kept a funeral notice of many G.I.'s that died in a train wreck several weeks after he had traveled on that very same train. The train tracks were sabotaged and the train jumped off the tracks, killing those G.I.'s. It wrecked somewhere near Taejon.

When they reached Yong Dong Po (A.J. said they had a nice Hotel with Mineral Baths at Yong Dong Po.) they were sent to a place called Camp An Yang, there they were assigned to 1st Battalion, 17th infantry of the 7th Division. My father was assigned to Company A and A.J. JONES to Company B as a cook. Their job job was to protect a Supply Depot called ASCOM. there was a Company of Black soldiers who were supposed to be guarding the Supply Depot, but instead they were stealing a lot of supplies, so they sent my father and

A.J.'s Companies to pull guard duty. Each Company would alternate watching the area,so A. J. and my father did not get to see a lot of each other.

My father departed Korea 26 Sept 1948, two years before the Korean conflict would start. This was 6 month's before A.J. would leave Korea,so that was the last they would see of each other in the service. A.J. stayed in the service until after the Korean War. From Korea my father finished out his military service in Fort Lewis,Washington. He was assigned to 3rd Ind Headquarters, 2nd Infantry Division, 72nd Heavy Tank Battalion, Company B. He was a Medium Tank crewman.

He was Honorably Discharged from Active Military Service on 20 Aug 1949. He qualified as a M-2 Carbine Sharpshooter and received the WWII Victory Medal and the WWII Occupational Medal (for service in Korea)

One year later war broke out in Korea,splitting into North and South Korea
